As an Accredited Powder Coater, Trufold has consistently met stringent quality standards and international benchmarks. This accreditation means we can issue Dulux Alumi Shield and/or Steel Shield warranties, ensuring our customers receive the highest quality assurance.

### A Dulux Accredited Powder Coater:

- ✓ Can issue Dulux Alumi Shield and/or Dulux Steel Shield warranties
- ✓ Is your assurance of quality satisfaction
- ✓ Is audited and certified by Dulux
- ✓ Is covered by Professional Indemnity and Product Liability insurance (if applicable)
- ✓ Uses quality Dulux Powder products
- ✓ Has state of the art pre-treatment process using deionised water
- ✓ Has the latest powdercoating equipment
- ✓ Takes the oven temp in 8 points and logs data.

### What this means to you.

- **Peace of Mind:** Every job meets the highest international standards.
- **Hassle-Free Warranties:** If your project requires a warranty, simply contact us before starting, and we will handle the registration with Dulux.
