Measurements

A diagram of a polygon with five vertices. The interior angles at each vertex are marked with an 'x'. The side lengths are: 50 (left vertical), 87 (top horizontal), 84 (bottom horizontal, with a double-headed arrow below it), 50 (right vertical), and 20 (bottom-left slanted). The vertices are marked with 'x' at the top-left, top-right, bottom-right, bottom, and bottom-left.
